

italian kitchen & pizzeria

Pomodoro Italian Kitchen and Pizzeria opened its doors in February of 2007. Three relatives from Sicily, Carlo, Giuseppe and Leonardo, shared a vision of authentic dishes using the finest ingredients at great prices. They believe in homemade sauces and pastas, just as their mothers did in Sicily. They want to be known for "putting the love back in the kitchen," which is the motto for Pomodoro.

The authentic smells and tastes of Italy are always evident at each store. The cooks arrive early everyday to get the homemade sauces and soups simmering, while stuffing the manicotti and preparing the pizza dough... just for you
